VI GER  
KRAFT ATT

VÄXA

Business Administration  
in Hospitality Management

Malmö stad

## OPEN EVENING

Thursday  
15th November 2018  
6.00-8.00pm

Tuesday  
20th November 2018  
6.00-8.00pm

Thursday  
31st January 2019  
6.00-8.00pm

*Welcome!*

*“Our aim is to help you reach your full potential and provide you with the knowledge and skills you will need for lifelong learning in a global context. We want you to develop into a reflective individual who is able to shoulder responsibility, and has the capacity to contribute meaningfully to making the world a better place for yourself and for others.”*

MARTIN ROTH, HEAD TEACHER

# Welcome to Borgarskolan

In 1994, Malmö Borgarskola was among the first in Southern Sweden to offer students the chance to study within the prestigious IB Diploma Programme. Now, nearly twenty-five years later, the IB Career-related Programme of Business Administration in Hospitality Management (BAHM) is about to enter its third year here at Borgarskolan.

BAHM is based on the Swedish Business and Administration Programme (Handels- och administrationsprogrammet). All teaching on the programme takes place in English. We welcome applications from both within Sweden and internationally.

Across the board on the IB, our dedicated and experienced teaching staff provide motivated students with the support they need to excel in their studies and develop as individuals.

Malmö Borgarskola strives to provide a quality education with an international perspective. We're therefore extremely proud of our partnership with Hotel Institute Montreux (HIM), a member of the Swiss Education Group (SEG), a relationship which directly benefits our BAHM students – both during their studies with us and moving forward into their future careers.

# IB: the Gateway to Higher Education and the World

**A VOCATIONAL AND ACADEMIC PROGRAMME** leading to an IB Certificate, the IB is offered at more than 2,450 schools world-wide and the Career-related programme at some 120 schools.

**A RECOGNISED INDICATOR** of professional and academic excellence, the IB Certificate is awarded after examinations in the third year. The final transcript will contain IB courses and IB Core, Swedish national courses and courses from HIM. This is highly regarded by hotels and university admissions officers worldwide.

**ONE OF THE BIGGEST IB SCHOOLS IN SCANDINAVIA,** Malmö Borgarskola has taught the IB since 1994, with outstanding results.

**ONE OF THE WORLD'S BEST HOSPITALITY INSTITUTIONS, HIM,** is partnering us in this programme. Some parts of the course will be taught by teachers from SEG/HIM and

all students will participate in a visit to SEG/HIM's beautiful campus in HIM/Montreux, Switzerland. There will also be scholarships for students to spend a longer period at SEG/HIM.

**OUR WORLD CLASS RESULTS** are due to our many years of experience and a combination of highly qualified teachers and strongly motivated students. Our staff members participate in regular professional development seminars organised by the International Baccalaureate Organisation and several have been appointed as examiners.

**OUR THREE YEAR PROGRAMME** is divided into a pre-IB year which is the equivalent of year 10 in international schools or year one in the Swedish gymnasium system followed by two IB Diploma years where class sizes are around 20.

# Partnership with Hotel Institute Montreux

**MALMÖ BORGARSKOLA** is partnering with Hotel Institute Montreux (HIM), member of the Swiss Education Group (SEG) to ensure a top quality education. Hotel Institute Montreux, which is part of SEG, will conduct some of the teaching for this programme. The students will of course take part in a study trip to Switzerland to visit the Hotel Institute as part of the preparatory year. Throughout the entire course there will be close contact between Malmö Borgarskola and HIM. There will be a number of scholarships for students to conduct part of their training at the Hotel Institute Montreux.

# The Preparatory Year

## LAYING THE GROUND FOR YOUR FUTURE SUCCESS

The preparatory year is a one-year course prior to the actual IB BAHM Programme. Here students follow a course of study which is similar to the Business and Administration Programme in the Swedish system making it possible for students to change to another programme should they not wish to continue with the IB.

The aim of preparatory year is to prepare students for the challenge of the programme, developing their hospitality, academic and language skills, equipping them to study a broad range of subjects in English.

## SUBJECTS

Service  
 Information and Communication  
 First language: Swedish or English  
 Foreign language: English or Swedish  
 Foreign language: French, German or Spanish  
 History  
 Social Sciences  
 General Science  
 Mathematics  
 Physical Education/Activity

*On completing the programme students will of course be eligible to apply for university.*

# What is the Programme of Business Administration in Hospitality Management (BAHM)?

BAHM is a programme that follows both the Career-related Programme of the IB and the Swedish Business and Administration Programme (Handels- och administrationsprogrammet). The Career-related Programme is a framework of international education that incorporates the values of the IB into a unique programme addressing the needs of students engaged in career-related education.

The programme leads to further/higher education, apprenticeships or employment.

## THE BAHM CURRICULUM

BAHM students undertake a minimum of two IB Diploma Programme (DP) courses, a core consisting of four components and a career-related course.

For BAHM students, DP courses provide the theoretical underpinning and academic rigour of the programme; the career-related component further supports the programme's academic strength and provides practical, real-world approaches to learning; and the Career-related Programme core helps them to develop skills and competencies required for lifelong learning.

## ASSESSMENT AND EXAMS

Students take written examinations at the end of their IB Diploma Programme courses. These are marked by external IB examiners. The school assesses the components of the Career-related core.

# Pathway to employment

21st century life places complex demands on graduates looking for work – so enabling students to become self-confident, skilled and career-ready learners must be an integral part of their education.

The International Baccalaureate® (IB) Career-related Programme (BAHM) prepares students for the world of work, as well as developing students' personal qualities.

By doing so it leads students down a pathway of their own making, towards further/higher education, apprenticeships or work.

## DEVELOPING STUDENTS FOR SUCCESS IN EMPLOYMENT

Students on the BAHM Programme develop skills that are genuinely valued by employers. The programme's curriculum framework develops:

- linguistic proficiency
- critical thinking skills
- maturity and responsibility
- time management skills
- a strong work ethic
- social and communication skills.

These capabilities are complementary to the accredited skills students gain as a requirement of their career-related studies.

# Summer Programme

At the end of the first year of the programme, a number of students will be awarded grants to attend the Swiss Education Academy's (SEA) Summer Programme.

*"SEA is a two week long summer course with lots of fun and great experiences – that gave me the opportunity to meet and work with all kinds of people from all over the world. The programme's courses, lead by terrific teachers, made the whole experience just unforgettable."*

STEFÁN MARTIN, BAHM17

*"SEA's Summer Programme was an amazing way to spend my summer. Hotel Institute Montreux, located by Lake Geneva, and surrounded by beautiful mountains, is a breathtaking experience for the eyes, mind and soul. I met some wonderful people and made friendships for life. Switzerland welcomed us with an open door - and my interest in the world of hospitality is even greater now than it was before. This is definitely my place on earth."*

KAROLINA WÓJS, BAHM17

*"For two weeks we got to experience everything that Switzerland has to offer... cities such as Vevey, Gruyères and Murten, adventures like paddle-boarding on the lake and exploring the UNESCO-listed Lavaux Vineyards – as well as lots of cheese and chocolate! We had courses in fine dining, communication and cultures from around the world – giving us a better understanding both of the industry and each other's beliefs and perspectives."*

REBECCA WEIHS, BAHM17

# Admissions

Malmö Borgarskola is a state-funded school so there are no fees for residents of Sweden or Denmark. Students in Sweden use the general application form, to be sent to the address below before February 1st, or submit their application online.

[www.skanegy.se](http://www.skanegy.se)

Gymnasie- och vuxenutbildningsförvaltningen  
Gymnasieantagningen  
Box 17195, 200 10 Malmö  
Sweden

Malmö Borgarskola welcomes international applications. You are invited to apply directly to the school by downloading the application form from our website and mailing it to us. Please be sure to include documentation from your current school and send the application to the address below. The application should ideally have reached us by February 1st for admission in August the same year. After receipt of the application you will be invited to sit entrance tests in Mathematics, English and perhaps in one or two additional subjects plus an interview.

## REQUIREMENTS FOR BAHM APPLICANTS:

- Nine years of school (corresponding to 9th Grade of Swedish Comprehensive School)
- Good written and spoken English
- Passing test results in Mathematics and English
- Interview

## ADMISSION DIRECTLY TO SECOND YEAR:

- Completed education from the 10th grade in international schools
- Good written and spoken English
- Passing test results in Mathematics, English and additional subjects
- Interview
